

What a Wonderful Night by Melissa Chiu
(to the tune of **What a Wonderful World** by Louis Armstrong)

I see skies of black
Hear snoring too,
I hear you snore,
When I'm with you.
And I think to myself,
What a wonderful night.

I see grumpy you,
Don't wanna fight,
The bright tiring day,
The dark apneic night.
And I think to myself,
What a wonderful night.

The CPAP ventilator,
So pretty on your face.
It also opens airways,
And keeps that breathing pace.
I see lungs shaking hands,
Saying, "how do you do?"
They're really saying,
"I love you" (to the CPAP)

I see AI's developin',
I watch them grow.
They'll be much more,
Than you'll ever know. (greater than 100!)
And I think to myself.
What a wonderful night.

Yes I think to myself,
Sleep Apnea brings such a wonderful night!
